Noah Nemhed Uppgren

JUNIOR FRONT END DEVELOPER

Profile

Enthusiastic and driven Junior Frontend Developer with a strong foundation in web development and an ability for creating engaging user experiences. Proficient in technologies like React, Next.js and Tailwind CSS

Employment History

Export Agent, DHL Express, Malmö

AUGUST 2018 — PRESENT

In my role as an Export Agent at DHL Express, I played a pivotal role in managing and resolving discrepancies and export-related matters at the local level. This included daily interaction and communication with customers to ensure smooth and efficient export processes.

Internship

Junior Frontend Developer at Imvilabs AB, Malmö

JANUARY 2023 — JUNE 2023

During my six-month internship at Imvilabs AB, I actively contributed to the development of a ReadingTest application aimed at assessing a user's reading speed (WPM - Words Per Minute) and comprehension. The application encompassed several key features, including: WPM Measurement, Comprehension Questions, Multiple Difficulty Levels, User Registration and Results Tracking.

Education

Java Developer, Grit Academy, Malmö

AUGUST 2021 — AUGUST 2023

Courses

The Complete Web Developer Zero To Mastery

OKTOBER 2023 — DEC 2023

I have completed "Complete Web Developer Zero to Mastery" on Udemy. During the course I acquired important skills in JavaScript, React, Redux, Node.js and PostgreSQL. The course highlights concrete applications of these skills and provides an insight into the latest trends in web development.
