Profile

Enthusiastic and driven Junior Frontend Developer with a strong foundation in web development and a ability for creating engaging user experiences. Proficient in technologies like React, Next.js and Tailwind CSS

Internship

Junior Frontend Developer at Imvilabs AB, Malmö

JANUARY 2023 — JUNE 2023

During my six-month internship at Imvilabs AB, I actively contributed to the development of a ReadingTest application aimed at assessing a user's reading speed (WPM - Words Per Minute) and comprehension. The application encompassed several key features, including: WPM Measurement, Comprehension Questions, Multiple Difficulty Levels, User Registration and Results Tracking.

Employment History

Export Agent, DHL Express, Malmö

AUGUST 2018 — PRESENT

In my role as an Export Agent at DHL Express, I played a pivotal role in managing and resolving discrepancies and export-related matters at the local level. This included daily interaction and communication with customers to ensure smooth and efficient export processes.
